To,
Dr.Smita Kasar
HOD Computer Science and Engineering Department
MIT-CSN

Subject: Application for the Position of Secretary– ACTS

Respected Madam,

I hope you are doing well. I am writing to express my interest in applying for the position of **Secretary** of the ACTS for the upcoming academic year.

As a Third Year Computer Technology student, I see ACTS as a valuable platform that encourages learning beyond academics and helps students develop coordination, communication, and teamwork skills. I am keen to be part of ACTS and contribute positively to departmental activities while learning through practical involvement.

Although I do not have prior experience in student committees, I am sincere, responsible, and willing to take initiative. I believe that consistent effort, a positive attitude, and readiness to learn are equally important for successfully handling responsibilities. I am comfortable working in a team, following guidance from seniors and faculty, and supporting the smooth execution of events and activities.

Academically, I am interested in improving my technical and organizational skills alongside my studies. I have also attended a workshop on Ethical Hacking basics, which helped me gain awareness of cybersecurity concepts and practical exposure beyond the syllabus.

If given an opportunity to serve as **Secretary**, I assure you that I will carry out my duties with dedication, discipline, and sincerity, and will contribute to the growth and effective functioning of ACTS.

Thank you for your time and consideration. I would be grateful for the opportunity to be part of the ACTS committee.

Yours sincerely,
Shreya Ramteke
